COMMISSION DIRECTIVE

ADMINISTRATIVE DEPT. \_\_\_\_\_ DATE AUGUST 31, 2004  
TRANSPORTATION DEPT. XXX DOCKET NO. 2004-96-T  
UTILITIES DEPART. \_\_\_\_\_ ORDER NO. 2004-429

**SUBJECT:** Docket No. 2004-96-T– Petition of Checker Yellow Cab Company, Inc., Blue Ribbon Cab Company, Inc., Yellow Cab Company of Greenville, Inc., North Area Taxi, Inc. and Yellow Cab Company of Charleston, Inc. for Rulemaking. Discuss with the Commission the results of Staff's investigation regarding the Petition for Rulemaking.

**COMMISSION ACTION:**

Commissioner Howard moved to deny the Petition. Based on the information provided by the Staff, I (Commissioner Howard) believe that even if this Commission were to find that it is in the public's best interest to modify Regulation 103-222 (which I do not believe that it is) that it would have no affect on South Carolina taxicab companies' workers compensation or other insurance rates. It appears that the only action which would aid in resolving the Company's complaints of high insurance rates would be a change to the South Carolina Workers Compensation laws, and not merely a change in the definitions in this Commission's Regulations. Therefore, Commissioner Howard moved that we affirm our previous action in dismissing this Petition.
